The Friends of SAFA Texas is the political action affiliate of the San Antonio Family Association. Friends of SAFA was formed in 2012 in response to politicians who espouse that they are Pro-Family yet continue to defy the objective morality derived from Eternal Law by placing their own personal opinions and subjective values above the objective truth of Divine and Natural Law. foSAFA will promote and help elect people running for office who are committed to well-ordered application of intrinsic issues above contemporary opinionable issues to truly help protect, defend and promote the family.
